THERE'S MONEY FOR YOU IN THIS PIECE OF NEWS.

Robert Johnson, Stryker, Ohio.

J. L. Sloan, Stryker, Ohio. B. W. King, Perrysburg, Ohio.

All men's, young mens and boys overcoats will be sold at a discount of 20% for just one week. If you are going to need a new overcoat for next winter it will be a savings of at least 40% over next fall's prices which is certainly worth considering.

Our reason for such a statement is that the same quality for fall is costing us more "direct from the manufacturer" than it did last season. We've done our best to give values; we've cut our margin of profit. They would cost more wholesale if we were to replace them.

But let's not worry about that; the values are here now, and you should get yours while the opportunity lasts. If you come in, we'll prove it. Your money back, if you are not satisfied.

million dollars worth of phonograph

Do you want to see what 3 million dollars' worth of phonograph looks like?—what three million dollars' worth of phonograph sounds like?—why anyone would put this staggering amount into one single solitary phonograph? Come into our store and let us show you an exact duplicate of the Original

"The Phonograph

The Original Official Laboratory Model. That's a name to conjure with. That's the phonograph which cost 3 million dollars. Remember the 7 long years during which Mr. Edison experimented night and

day. Remember the marvelous result he achieved. Remember the countless times that exact duplicates of the Official Laboratory Model have matched their art directly against living artists, -and have proved that there is no difference between a singer's voice—or instrumentalist's performance—and its Re-Creation by the New Edison.

We have exact duplicates of the 3 million dollar Original Official Laboratory Model. We guarantee that they will also match the living artist and equal the entire 3 million dollar musical ability of its famous prototype.

Our Budget Plan! The ideas of common-sense Americans, from Ben Franklin to Thos. A. Edison, applied to the purchase of a New Edison. Do you know about it!

Official Laboratory Model of
